

Minister's Message

As Manitoba's Minister of Agriculture, it is my pleasure to share with you the 2018 Manitoba Fair and Events Guide, highlighting the many fairs and events hosted by Agricultural Societies throughout Manitoba.

Agriculture continues to be an important economic driver and contributor to shaping our communities and our province. Manitoba Agriculture and Agricultural Societies have enjoyed a strong relationship for more than a century, sharing common goals of encouraging advancement in agriculture and food production and contributing to a prosperous rural Manitoba.

Agricultural Societies are involved in a variety of activities throughout the year. One of the highlights of their work is an annual fair or special event, celebrating and increasing awareness of agriculture, showcasing youth accomplishments through programs such as 4-H and providing entertainment and cultural experiences for Manitobans and visitors to our great province.

Although many things have changed over the years in agriculture and rural areas, Agricultural Society events have continued to be an important gathering place for the community and neighbours. These opportunities are made possible by the dedication and hard work of numerous volunteers who give generously of their time to make these events possible and which results in making Manitoba what it is today.

FAIR AND EVENTS GUIDE

2018

Manitoba
CANADA'S HEART BEATS

Manitoba

Summer time is fair time in Manitoba!

Each year Agricultural Societies prepare to host visitors from their communities and from afar at their annual summer fairs. Connecting rural agriculture and urban visitors is something agricultural societies don't take lightly. From rodeos and cattle shows to handiwork competitions and family entertainment, fairs across Manitoba are bringing great events to your backyard for everyone to enjoy! Visiting a fair in Manitoba is a great opportunity to experience what our rural communities have to offer and to learn more about our great province!

Agricultural Societies have a long history in Manitoba and across Canada. Not only are they instrumental in hosting the annual fair but also providing opportunities for agricultural education, economic and community development. Preserving past traditions, educating the community about food production as well as helping shape the future of our communities as they change and diversify are all roles the Agricultural Societies play. They offer fun and educational events that are exciting for all generations and all backgrounds!

I encourage you to visit and support your local fair or visit one on your travels! There are so many to discover!

See you at the fair!
